Project Description

The Assistance to South Texas College Nursing Program intends to respond to the public health crisis by investing in the South Texas College Nursing Program, which produces healthcare professionals. The ongoing pandemic has shown healthcare professionals, especially nurses, continue to be in high demand due to shortages in faculty members at local nursing programs. The project aims to utilize ARPA Relief Funds to assist in obtaining supplemental faculty positions and expand class sizes. This investment will also assist in providing the necessary resources for training future nurses. Furthermore, the program has as an objective to assist local institutions in recruitment and retention of faculty and students. Assistance to South Texas College will allow the County of Hidalgo to address the ongoing COVID-19 public health emergency and any future public health emergencies more effectively.

Fiscal Impact
