

Project Description

Project Name

Hidalgo County Precinct 4 Bentsen Road Stormwater Project

Project Number

ARPA-22-124-094

Program:

The Hidalgo County Precinct 4 Bentsen Road Stormwater Project will be part of the Hidalgo County American Rescue Plan Act Stormwater System Improvement Program.

Precinct/Department Name

Hidalgo County Precinct 4

ARPA Expenditure Category

5. Infrastructure

ARPA Eligibility Category

5.6 Clean Water: Stormwater

Project Description

The Bentsen Road Stormwater Project will manage and reduce stormwater for the project area. The project is located approximately ¼ mile south of Highway 107 and will include roadside ditch widening along with a stormwater network with an ultimate outfall into HCDD1 West Main Drain II. Inlets will be placed throughout the project limits along with roadside ditch grading to manage stormwater during and after rain events. Bentsen Road Stormwater Project will provide improvement to the quality of life and reduce flooding in the area.

As per the Coronavirus State and Local Fiscal Recovery Funds FAQ document, in question 6.15, recipients are able to use ARPA funds for road repairs and upgrades directly related to an eligible stormwater project. Efficient stormwater services directly translate into a healthier community by providing clean water and avoiding potential environmental disasters. These basic needs are critical to the health and ability to work and learn of the residents of the County of Hidalgo, particularly for the disadvantaged and low-income minorities.

Fiscal Impact:

Estimated Budget: \$474,505.50

Project Description

Project Name:

Hidalgo County Precinct 4 Colonia Tejano Stormwater Project

Project Number:

ARPA-22-124-065

Program:

Hidalgo County Precinct 4 Colonia Tejano Stormwater Project will be part of the Hidalgo County American Rescue Plan Act Stormwater System Improvement Program.

Precinct/Department Name:

Hidalgo County Precinct 4

ARPA Expenditure Category:

5. Instructure

ARPA Eligibility Category:

5.6 Clean Water: Stormwater

Project Description:

The Hidalgo County Precinct 4 Colonia Tejano Stormwater Project will reduce stormwater for the 83rd to 87th St. subdivision. The project is located on the southside of SH 107 and North of Tex Mex Rd. between S. 83rd St. and S. 87th St. This project consists of a pipe network with inlets improvements and swale grading that will tie into an existing 60-in High-Performance Polypropylene (HPP) that runs along 87th St.

As per the Interim Final Rule, recipients are able to use ARPA relief funds for road repairs and upgrades directly related to an eligible water or sewer project. Efficient sewage services directly translate into a healthier community by providing clean water and avoiding potential environmental disasters. These basic needs are critical to the health and ability to work and learn of the residents of the County of Hidalgo, particularly for the disadvantaged and low-income minorities.

Project Description

Project Name:

Hidalgo County Precinct 4 Rio Grande Care Road Stormwater Project

Project Number:

ARPA-22-124-064

Program:

Hidalgo County Precinct 4 Rio Grande Care Road Stormwater Project will be part of the Hidalgo County American Rescue Plan Act Stormwater System Improvement Program.

Precinct/Department Name:

Hidalgo County Precinct 4

ARPA Expenditure Category:

5. Instructure

ARPA Eligibility Category:

5.6 Clean Water: Stormwater

Project Description:

Hidalgo County Precinct 4 Rio Grande Care Road Stormwater Project will manage and reduce stormwater for the project area by constructing a 2-ft deep swale/berm along with a pipe network and grate inlets just north of Monte Cristo Rd. and East of Rio Grande Care Rd. This project will intercept the stormwater that flows in an easterly direction and divert it north to the J-09-00 Drain Ditch. The project will also include the regrading of the roadside ditches along Rio Grande Care Rd. From Monte Cristo to the J-09-00 Drain Ditch to provide positive drainage.

As per the Interim Final Rule, recipients are able to use ARPA relief funds for road repairs and upgrades directly related to an eligible water or sewer project. Efficient sewage services directly translate into a healthier community by providing clean water and avoiding potential environmental disasters. These basic needs are critical to the health and ability to work and learn of the residents of the County of Hidalgo, particularly for the disadvantaged and low-income minorities.

Fiscal Impact

Estimated Budget: \$270,056.80
